LifeLong Learning Society Presents: Norfolk's International Military Tattoo Wednesday – April 21, 2027

LifeLong Learning Society presents this SignaTours trip as an opportunity for members to travel together

Come join your LifeLong Learning friends as they travel to Norfolk to see the moving Virginia International Tattoo Show. Each year's show is different with new performers from across the globe, new themes of honor and patriotism, and state of the art technical effects. What never changes - massed pipes and drums, a profound sense of patriotism and an amazingly inspirational finale.

2027 marks the 30th anniversary of the Virginia International Tattoo show and they plan to bring the greatest ever spectacle of Music & Might to the Norfolk Scope Arena! This show will blend history and heroism featuring an incredible international cast of more than 800 civilian and military performers from across the globe as they take the stage in an impressive display of military pageantry and precision. The show features massed pipes and drums, military bands, drill teams, choirs, and more! This year's show will not only entertain you, it will inspire your participation…from the moment that your hand touches your heart during the Star-Spangled Banner to when you jump to your feet when your family's favorite service song is played, to when you rise in solemn prayer as hundreds of pipers, bandsmen and singers join in the singing of *Amazing Grace*.

After the morning performance, travel a short distance to a popular Norfolk Restaurant, ***Freemason Abbey***, followed by an afternoon visit to ***Douglas MacArthur Memorial*** in downtown Norfolk. This museum and research center is dedicated to preserving and presenting the story of the life of General of the Army Douglas MacArthur. The Memorial also pays tribute to the millions of men and women who served with General MacArthur in World War I, World War II, and the Korean War. It consists of a museum, archive and research center, education center, theater, welcome center, and a gift shop. A visit to the Memorial will allow you to explore the life of one of America's greatest and most complex leaders.
