VISITOR GUIDELINES

We are excited to welcome you to campus so you can see first-hand what it is like to be a Captain! To ensure the health and safety of our community and visitors, we have added the following guidelines based on recommendations from the U.S. Centers for Disease Control and Prevention (CDC), the Virginia Department of Public Health (VDH) and the governor’s Forward Virginia plan.

BEFORE YOUR VISIT
We require all visitors to register in advance of arriving on campus. We may not be able to immediately accommodate walk-in visitors due to physical distancing guidelines and other health safety protocol.

CHECK FOR COVID-19 SYMPTOMS
We ask that you check for the following COVID-19 symptoms before visiting campus:
• Fever
• Cough
• Difficulty getting air
• Loss of smell or taste
• Sore throat
• Muscle aches

Please notify the Office of Admission and reschedule your visit if:
• You or your guest(s) exhibit any symptoms
• You or your guest(s) have recently been in contact with someone who has contracted COVID-19
• You or your guest(s) have been directed by a school official or healthcare provider to isolate, quarantine or get tested for COVID-19

Please refrain from visiting for at least 14 days after a positive test, and until you test negative.

ON THE DAY OF YOUR VISIT
Beginning Thursday, August 12, face coverings are required for all individuals, regardless of vaccination status, in shared indoor spaces. Face coverings should be worn indoors at all times and cover both your mouth and nose.

Please check-in at the Welcome Center, located on the second floor of Christopher Newport Hall. Any updated health safety protocol details will be included in your confirmation emails.

We strongly encourage you to follow public health guidelines, including washing your hands or using hand sanitizer. We have suspended our beverage station, so please bring your own beverage.

We are taking all currently recommended precautions but we cannot eliminate the risk of COVID-19 exposure. Please remember that you are visiting campus at your own risk.

CAMPUS TOURS
Campus tour groups will be limited in size. Groups will enter the interior of a limited number of buildings.
