Financial Aid

INFORMATION

If you are interested in financial aid, please make sure to complete your Free Application for Federal Student Aid (FAFSA) at FAFSA.ed.gov and add Christopher Newport's school code of 003706.

Additional institutional and state need-based grants are available for students who qualify. The FAFSA must be completed annually and becomes available in October each year for the following academic year. Christopher Newport's preferred filing deadline is December 15. Students must apply by the March 1 priority filing deadline for consideration of state aid. Need-based awards are subject to the availability of funding. **For more information on the financial aid process and resources, please visit cnu.edu/financialaid.**

Transfer Grant

PROGRAM

This need-based grant program has a maximum annual standard award of \$1,000 and may be renewed up to three years or 70 credit hours (additional \$1,000 for students enrolled in a degree program in science, technology, engineering or math). Eligible students must:

- Be an undergraduate, in-state student who has earned an associate degree at a Virginia two-year public institution with a cumulative GPA of 3.0 on a 4.0 scale
- Enroll full-time in a Virginia four-year public or Virginia four-year private nonprofit college or university by the fall semester following completion of associate degree
- Have applied for financial aid by completing the FAFSA by the March 1 priority filing deadline
- Have demonstrated financial need: defined as a federally calculated expected family contribution of \$12,000 or less

HONORS PROGRAM

This unique program offers students more freedom to customize their academic experience for their personal and professional aspirations by reducing the liberal learning core requirements. This allows more time for interdisciplinary seminar-style courses and challenges students by means of study abroad, independent research, internships, jobs and volunteer experience relevant to their passions. **Every Honors student is eligible for a summer research stipend, high-quality academic advising and mentoring, as well as priority course registration.**

STUDY ABROAD

Transfer students are welcome to study abroad during the fall, spring or summer. Scholarships are also available for students studying abroad.

Applying TO CNU

Our holistic review of your application is designed to consider all aspects of your background and find those students for whom Christopher Newport is the “right fit.” We expect to see a record of academic success and consider factors such as the context of your school, the difficulty level in your courses and trends in your grades. We consider the varying academic environments at different schools, and we seek students with diverse life experiences. Competitive transfer applicants present a 3.0 grade point average and at least 15 hours of college-level credit. In addition, we recommend that applicants complete one math and one English course at the college level.

Your application will be considered complete and ready for review once you submit the following:

- Common Application or Coalition Application
-  **Apply at commonapp.org or coalitionforcollegeaccess.org**
- Personal statement
- \$65 application fee (non-refundable)
- Official college transcript from all colleges attended
- Official high school transcript
- One letter of recommendation (up to three letters welcome)

Recommended Actions:

- Official SAT/ACT scores sent directly to Christopher Newport (if test was taken)
- Schedule an interview with a member of our transfer admission and Enrollment staff or a visit to campus at transfer@cnu.edu or **(757) 594-7296**
- If you wish to be considered for financial aid, complete the FAFSA by the March 1 priority filing deadline. You can submit the FAFSA online at fafsa.ed.gov
- Upon admission to Christopher Newport and prior to enrollment, a transfer college report must be submitted by each college attended
