Consortium Agreement Policy

The Consortium Agreement refers to the two colleges/universities as the “Home Institution” and the “Host Institution”. The **Home Institution** is the school where the student is fully matriculated and from which he/she will earn a degree. The **Host Institution** is where the student temporarily takes courses, whose credits will be transferred back to his/her Home Institution.

Guidelines for receiving financial aid under a Consortium Agreement:

1. Must be a degree-seeking student at Christopher Newport University.
2. Must complete a Free Application for Federal Student Aid (FAFSA) for consideration of need based aid and add the Christopher Newport University school code: 003706.
3. Must submit a complete and signed Consortium Agreement Contract, Christopher Newport University Course Approval Form and a copy of your class schedule to confirm your registration.
4. Must submit an official transcript to Christopher Newport University confirming completion of courses for the semester attended within 30 days of the last date of enrollment at the Host Institution.
5. Must maintain the standards of Satisfactory Academic Progress (SAP) set by Christopher Newport University if receiving federal and/or state aid.

The Consortium Agreement will allow Christopher Newport University to disburse financial aid based on a student’s combined enrollment at both institutions. Once Christopher Newport University fees are paid, Christopher Newport University will refund any excess financial aid to the student, according to the student’s selected method of refund. The student is responsible for payment of all charges to the Host Institution.

If a student fails to submit a final transcript to Christopher Newport University and/or fails to complete the approved courses, the aid disbursed is subject to cancellation and may be returned to the appropriate funding source(s). Students will be responsible for payment of the full balance incurred due to the cancellation of aid. In addition, students will not be considered for future aid due to the inability to calculate Satisfactory Academic Progress (SAP).
