

## 2024-2025 Dependent Student Family Size Verification Worksheet

Your Free Application for Federal Student Aid (FAFSA) was selected for a process called verification. Before we can determine your financial aid, we are required to collect the following information to verify the accuracy of the information reported on your FAFSA.

**Section A: Student & Family Information**

|           |            |    |                                  |
|-----------|------------|----|----------------------------------|
|           |            | MI |                                  |
| Last Name | First Name |    | Christopher Newport Student ID # |

Enter members of your family below. Those included in your Family Size should be:

- The student.
- The parent(s), including a stepparent (if applicable), even if the student doesn't live with the parents. Exclude a parent who has died or is not living in the household because of separation or divorce. Include a parent who is on active duty in the U.S. Armed Forces apart from the family.
- The student's siblings if the following are true:
  - They live with the student's parents (or live apart because of college enrollment),
  - They receive more than half of their support from the student's parents, and
  - They will continue to receive more than half their support from the student's parents during the 2024-2025 academic year.
- Other persons if the following are true:
  - They live with the student's parents,
  - They receive more than half of their support from the student's parents, and
  - They will continue to receive more than half their support from the student's parents during the 2024-2025 academic year.

The provided criteria for "dependent children" or "other persons" align with the requirement that family size align with whom the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S tax return at the time of completing the 2024-2025 FAFSA. As a result, the parent should not include any unborn children in the family size.

If more space is needed, provide a separate page with the student's name and ID number at the top.
