

**Cherry Blossom Cruise aboard the Odyssey
with the LifeLong Learning Society
Friday - March 29, 2024**

Lifelong Learning Society presents this SignalTours trip as an opportunity for members to travel together

There is always something new and exciting to discover in Washington, D.C. and this “Spring” is certainly no exception. In a city of bronze statues and concrete monuments, the cherry blossoms triumph as an exquisite and wondrous tourist attraction. Hundreds of thousands of visitors from across the nation and around the world come to D.C. each year to witness the springtime beauty of our nation’s capital. We’ve combined the beauty of the Cherry Blossoms with several other popular landmarks to make this a day in Washington that is nothing less than extraordinary! *(please note – there is no guarantee that they will be in peak bloom-but this is, on average, the peak time so keep your fingers crossed mother nature cooperates!)*

Spend the afternoon aboard the luxurious *Odyssey*! The glass-atrium dining room offers panoramic views along the Potomac. The unique design allows you to travel beneath historic bridges for views of the blossoms that cannot be seen from the road. The *Odyssey* is not just known for the views it provides. Lunch aboard the ship is an absolutely wonderful experience with the creative appetizers, entrees, and desserts that are prepared daily. ***Cruises from 12:00pm – 2:00pm***

Next, a professional tour guide boards the coach for an overview tour of Washington and more great views of the Cherry Blossoms. A stop will be made in Lafayette Square in front of the White House for a visit to ***St. John’s Church***, a hidden gem in the city where every President, beginning with James Madison, has worshipped there. It is known as “the Church of the Presidents” and is a National Historic Landmark.
