

**LifeLong Learning Society Presents:
Van Gogh Immersive Experience
Wednesday – December 1, 2021**

LifeLong Learning Society presents this SignaTours trip as an opportunity for members to travel together!

Showing for a limited engagement in our Nation’s Capital... *Van Gogh: The Immersive Experience* is an exhibit bigger than life! *Van Gogh: The Immersive Experience* is more than just art on a wall, it can almost be described as a living and breathing “artistic” display like no one has seen before. You’ll be astounded as the 20,000 square foot exhibit comes to life through a brilliant display of light and sound continuously moving and changing shape while featuring the most compelling works of *Van Gogh!* The “*Experience*” includes separate galleries that chronicle his life, technique, and influence through informative panels, and larger than life re-creations. Comfortable seating throughout the galleries allows viewers a chance to admire this spectacle.

In the afternoon, travel to the *Mount Vernon Inn* for a *buffet lunch* featuring Pulled Pork BBQ, Turkey and Gravy, mashed potatoes, mixed vegetables, dessert and beverage. Next, spend the afternoon touring *Mount Vernon*. More than just another historic home, Mount Vernon was the beloved home of George Washington, “Father of Our Country.” Visit the impressive *Ford Orientation Center* and the *Donald W. Reynolds Museum and Education Center*. Here you will explore 23 galleries where you will see hundreds of artifacts and many short films that will help you discover the life and legacy of George Washington and those that lived and worked at Mount Vernon. Enjoy a guided tour through 14 rooms of the mansion, whose oldest part dates from the 1740s. It will be decorated for the holiday season as when Washington lived there. Don’t forget to leave time for the great gift shop!
