

VIRGINIA MUSEUM OF HISTORY & CULTURE

WE THE PEOPLE: THE WORLD IN OUR COMMONWEALTH

THURSDAY, AUGUST 06, 2026

The LifeLong Learning Society presents this trip as an opportunity for members to travel together

Join us for a special visit to the Virginia Museum of History & Culture to experience the powerful exhibition ***We The People: The World in Our Commonwealth.***

Our day will begin with a **one-hour** guided tour of this remarkable exhibit, which explores the many people who, over centuries, have made Virginia the unique place it is today. Through immersive environments, historical artifacts, photographs, multimedia stations, and more than 100 personal voices, the exhibition shares stories of opportunity, resilience, community, and hope from individuals representing 68 countries who made Virginia their home. Pairing historic accounts with contemporary experiences, *We The People* highlights the profound impact immigrants have had on Virginia and the nation while showcasing the deeply personal journeys of leaving home, seeking opportunity, and building new lives.

Following the guided tour, participants will enjoy free time to explore the museum's additional exhibits at their own pace.

Lunch will be on your own at **The Commonwealth Café**, located inside the museum. Come enjoy a meaningful day of history, culture, and discovery!
