A. PURPOSE

The purpose of this policy is to establish authorized signatures for charitable Endowed Fund and Expendable Fund Agreements (Agreement(s)).

B. POLICY STATEMENT

In order to assure that all parties to charitable Endowed Fund Agreements and charitable Expendable Fund Agreements are aware of the terms, said Agreements will be signed by the Donor, the Vice President for Advancement, and the Controller of the Foundations.

C. PROCEDURES

1. Once the terms of an Agreement have been agreed upon by the Donor and the University Advancement Office, the Donor should sign the Agreement.

2. In most cases, the Vice President for University Advancement will sign the Agreement on behalf of the University in order to commit the University to implement the selection criteria established by the Agreement as well as any other University-related conditions. Due to the unusual complexity of some charitable Endowed and Expendable Agreements, and at the discretion of the Vice President for University Advancement, occasionally Agreements may be reviewed and signed by the President of the University, and/or the University Executive Vice President, and/or the Provost. In the event that the Vice President for Advancement is not available for an extended period of time, then he or she may designate the President of the University, the University Executive Vice President or a specific Advancement Officer to sign Agreements on behalf of the University.

3. In order to assure that the Foundation is aware of the terms of the Agreement, pursuant to which it will hold funds for investment, only Agreements signed by the Controller of the Foundations or the Chief Executive Officer of the Foundations may be executed on behalf of the University.
D. AUTHORITY

The Vice President for University Advancement shall monitor adherence to this policy. The Controller of the Foundations and the Vice President for University Advancement may jointly propose changes to this policy for approval by the CNU Policy Committee.
