AMNESTY

CNU encourages the reporting of violations of the policy. Alcohol and/or drug violations should not be a deterrent to reporting or cooperating during the Resolution Process. CNU's primary focus shall be on addressing the alleged sexual misconduct and not on alcohol and drug violations that may be discovered or disclosed. CNU does not condone underage drinking or illicit drug use, however, except in compelling circumstances, CNU will extend limited amnesty from consequences related to the personal consumption of drugs or alcohol to individuals who in good faith report alleged incidents of sexual misconduct and/or participate in an investigation.

CONFIDENTIALITY

Complainants desiring details of an incident be kept confidential should speak with CNU Confidential Resources or Off-Campus Confidential Resources. If you disclose information to any CNU employee (other than the Office of Counseling Services or Health and Wellness Services), they **MUST** report this information to TITLE IX/EO because these employees have been designated as Responsible Employees who must report all incidents of possible sexual violence. (NOTE: Disclosures made during Institutional Review Board (IRB) approved research are not reportable.)
